Limoges, August 30<sup>th</sup> , 2017

To

Pr A. Enayati

Vice Chancellor for Research,  
Mazandaran University of Medical Sciences,  
Sari, Iran

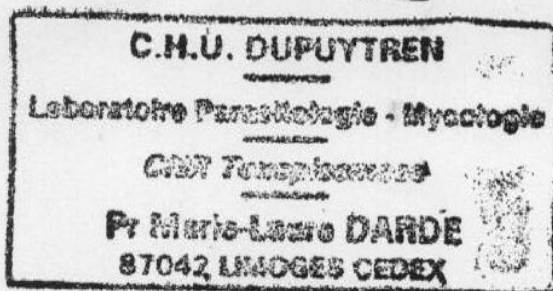

This letter is to certify that we agree for a scientific collaboration between the Biological Resource Centre for *Toxoplasma* in Limoges, France and the Toxoplasmosis Research Center in Mazandaran University of Medical Sciences, Sari, Iran. This collaboration would include genotyping of *Toxoplasma* strains and DNA isolated in Iran, as well as exchange of students and university staff.

Pr ML Dardé  
PU-PH – Head of Parasitology Department

Pr Ahmad Daryani  
Professor of Parasitology

Head of Biological Resource Center for Toxoplasma

Toxoplasmosis Research Center
